Dear Sir,

Sub: Submission of the information under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Update on the business impact consequent to the recent surge of COVID-19 cases in China.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, please be informed that consequent to the sudden surge of COVID-19 cases in Shanghai and other centres in China, the authorities have imposed stringent pandemic restrictions. In general, this has caused a backlog of shipping containers and repercussions have adversely impacted the global supply chains across companies.

This may cause delays in receipt of key raw material components required for the company's production. While the company assumes the disruption to be temporary, the extent of lockdown and its impact is presently unknown. Overall, the company expects two weeks delay in imported raw material delivery schedules from the planned date, possibly impacting production partially in the short term.

Kindly take the above on record.

Thanking you,

Yours truly,

For Gokaldas Exports Limited
